

39
officials got
fancy cars

723
people could have
received RDP houses.

2892 or more
people could have lived in those houses.
(calculated at 4 people per house)

The Inequalities of **ANC** Spending

In 2009 the ANC spent **R39 million** buying **47** cars for **39** government officials.
I like to think that this money could have been **better spent**.
