

**R4,600,000**

The value of Julius Malema's two houses, purchased with the profits from government tenders awarded to his companies and valued at more than R130,000,000.

**R54,000**

The average cost of an RDP house. Yes, that's 85 times less than the house Malema got.

**Some comrades are more equal than others.**

If your name is **Julius Malema** your government will make sure you can afford to buy homes worth **R4,600,000**. If not, **R54,000** will have to do.
